Overview

Dr. Dinesh Talwar is a distinguished Ophthalmology Specialist at Apollo Hospitals Indraprastha, Delhi, with over 32 years of extensive experience in the field. He holds an MBBS and an MD, which underpin his advanced expertise in diagnosing and treating a wide range of ocular conditions. Dr. Talwar is particularly proficient in cataract surgery, glaucoma management, and retinal disorders, utilizing the latest techniques and technologies to ensure optimal patient outcomes. A dedicated advocate for patient-centered care, Dr. Talwar prioritizes the needs and concerns of his patients, fostering an environment of trust and open communication. He is committed to innovative treatments and medical excellence, continually seeking to enhance his practice through ongoing education and research. His contributions to the field are reflected in his active participation in academic discussions and medical conferences, where he shares insights and collaborates with peers to advance ophthalmic care. Fluent in both English and Hindi, Dr. Talwar effectively communicates with a diverse patient population, ensuring that all individuals receive personalized and comprehensive

care. His unwavering dedication to improving vision health and enhancing the quality of life for his patients makes him a respected leader in ophthalmology.
