Overview

Dr. S K Kabra is a distinguished Paediatric Pulmonology Specialist at Apollo Hospitals Indraprastha, Delhi, with an impressive 40 years of experience in the field. He holds an MD in Pediatrics, a DNB in Pediatrics, and is a Diplomate of Pediatric Respiratory Medicine from the European Respiratory Society, underscoring his advanced expertise and commitment to excellence in pediatric respiratory care.

Dr. Kabra is renowned for his proficiency in managing complex respiratory conditions in children, including asthma, cystic fibrosis, and sleep-disordered breathing. His dedication to innovative treatments and patient-centered care has made a significant impact on the lives of countless young patients. He actively engages in research and has contributed to numerous academic discussions and medical conferences, sharing his insights and findings with peers to advance the field of pediatric pulmonology.

Fluent in both English and Hindi, Dr. Kabra effectively communicates with a diverse patient population, ensuring that families feel informed and supported throughout their healthcare journey. His unwavering commitment to high-quality healthcare and compassionate patient care continues to inspire both his colleagues and the families he serves.
