Overview

Dr. Manish Joshi is a distinguished Ophthalmology Specialist at Apollo Hospitals Gandhinagar, Ahmedabad, with over 23 years of extensive experience in the field. He holds an MBBS and an M.S. in Ophthalmology, equipping him with advanced expertise in diagnosing and treating a wide range of eye conditions. Dr. Joshi is particularly proficient in cataract surgery, glaucoma management, and retinal disorders, ensuring that his patients receive the highest standard of care.

A dedicated advocate for patient-centered care, Dr. Joshi prioritizes the individual needs of his patients, employing innovative treatments and the latest medical technologies to enhance their visual health. His commitment to medical excellence is further demonstrated through his active involvement in research and participation in numerous academic discussions and medical conferences, where he shares insights and stays abreast of the latest advancements in ophthalmology.

Fluent in English, Hindi, and Gujarati, Dr. Joshi effectively communicates with a diverse patient population, fostering a welcoming environment for all. His passion for improving patient outcomes

and his dedication to continuous learning make him a trusted choice for those seeking comprehensive eye care.
