Overview

Dr. Vishal Choksi is a distinguished Head & Neck Surgical Oncology Specialist at Apollo Hospitals Gandhinagar, Ahmedabad, with over 20 years of dedicated experience in the field. He holds an MBBS degree and has completed a Diploma in the American Board of Surgery, along with a Fellowship in Head & Neck Cancer Surgery. His extensive training and expertise enable him to perform complex surgical procedures, including tumor resections, reconstructive surgeries, and minimally invasive techniques, ensuring optimal outcomes for his patients.

Dr. Choksi is deeply committed to advancing the field of oncology through research and academic engagement. He actively participates in medical conferences and discussions, sharing his insights on innovative treatment modalities and the latest advancements in head and neck cancer management. His contributions to research have further solidified his reputation as a thought leader in the specialty.

A strong advocate for patient-centered care, Dr. Choksi prioritizes the needs and concerns of his patients, ensuring they receive comprehensive support throughout their treatment journey. He is fluent in English, Hindi, and Gujarati, allowing him to effectively communicate with a diverse patient population. Dr. Choksi's dedication to medical excellence and compassionate care makes him a trusted choice for individuals seeking specialized treatment in head and neck oncology.
