Overview

Dr. Debashis Nayak is a distinguished Endocrinology Specialist at Apollo Hospitals Rourkela, bringing over eight years of dedicated experience in the field. He holds an MBBS, a DNB in Internal Medicine, and a Postgraduate Diploma in Diabetes and Endocrinology, equipping him with advanced expertise to address a wide range of endocrine disorders. His proficiency encompasses diabetes management, thyroid disorders, and hormonal imbalances, ensuring comprehensive care tailored to each patient's needs. Dr. Nayak is actively involved in research and academic discussions, contributing to advancements in endocrinology through participation in various medical conferences. His commitment to staying abreast of the latest developments in the field allows him to offer innovative treatments and evidence-based care to his patients. He is passionate about patient-centered care, prioritizing the well-being and comfort of those he serves. Fluent in English, Hindi, and Odia, Dr. Nayak effectively communicates with a diverse patient population, fostering a supportive and understanding environment. His dedication to medical excellence and compassionate care makes him a trusted partner in health for his patients at Apollo Hospitals Rourkela.
