Overview

Dr. Rinett Sebastian is a distinguished Cardiothoracic and Vascular Surgery Specialist at Apollo Adlux Hospital, Cochin, with a decade of extensive experience in the field. He holds an MBBS, MS, MCh, and DNB (CTVS), equipping him with advanced expertise in complex cardiac and vascular procedures, including coronary artery bypass grafting, valve repair and replacement, and minimally invasive surgeries. His commitment to innovative treatments and medical excellence has made him a trusted figure in the healthcare community.

In addition to his clinical practice, Dr. Sebastian is actively involved in research and academic discussions, contributing to advancements in cardiothoracic surgery. He regularly participates in national and international medical conferences, sharing insights and collaborating with peers to enhance surgical techniques and patient outcomes. His dedication to continuous learning ensures that he remains at the forefront of emerging trends and technologies in his specialty.

Dr. Sebastian is passionate about patient-centered care, prioritizing the needs and concerns of his patients throughout their treatment journey. He is fluent in English, Hindi, Tamil, and Malayalam, allowing him to effectively communicate with a diverse patient population. His holistic approach to healthcare fosters trust and comfort, ensuring that each patient receives the highest quality of care.
