Overview

Dr. Susmitha Gajula is a dedicated Radiation Oncology Specialist at Apollo Hospitals, Health City, Vizag, with two years of experience in providing exceptional care to her patients. She holds an MBBS and an MD in Psychiatry, equipping her with a unique

perspective on the psychological aspects of cancer treatment, which enhances her patient-centered approach.

Dr. Gajula is proficient in advanced radiation therapy techniques, including Intensity-Modulated Radiation Therapy (IMRT) and Stereotactic Body Radiation Therapy (SBRT). Her commitment to innovative treatments is complemented by her active involvement in research and academic discussions, where she contributes to the advancement of oncology practices. She regularly participates in medical conferences, sharing her insights and learning from peers to ensure she remains at the forefront of her field.

Fluent in English, Hindi, and Telugu, Dr. Gajula effectively communicates with a diverse patient population, ensuring that each individual feels understood and supported throughout their treatment journey. Her dedication to medical excellence and compassionate care makes her a trusted partner for patients navigating their cancer treatment options.
