Overview

Dr. Sunita Samleti is a distinguished Internal Medicine and COVID Consultation Specialist at Apollo Hospitals, Health City, Vizag, with 18 years of extensive experience in the medical field. She earned her M.D. in Pathology from TN Medical College, Mumbai University, in March 2005, following her M.B.B.S. from Grant Medical College, Mumbai University, in October 1999. Her advanced qualifications equip her with a profound understanding of complex medical conditions, enabling her to provide exceptional patient care.

Dr. Samleti is proficient in managing a wide range of internal medicine issues, with a particular focus on infectious diseases and COVID-19 management. She is actively involved in research and has contributed to various academic discussions and medical conferences, sharing her insights on innovative treatments and best practices in patient care. Her commitment to medical excellence is evident in her approach to developing personalized treatment plans that prioritize patient well-being.

Fluent in English, Hindi, Marathi, and Telugu, Dr. Samleti effectively communicates with a diverse patient population, ensuring that all individuals feel understood and supported. Her dedication to patient-centered care and her passion for advancing medical knowledge make her a trusted healthcare provider in the community.
