Overview

Dr. Kiran Mugadur is a distinguished Obstetrics and Gynaecology Specialist at Apollo BGS Hospitals in Mysuru, Mysore, with eight years of dedicated experience in the field. He holds an MBBS, an MD in General Medicine, and a DrNB in Cardiology, equipping him with advanced expertise that enhances his practice in women's health. Dr. Mugadur is proficient in a range of procedures, including high-risk obstetrics, minimally invasive surgeries, and reproductive health treatments, ensuring that his patients receive the highest standard of care.

A passionate advocate for patient-centered care, Dr. Mugadur is committed to innovative treatments that prioritize the well-being of his patients. He actively engages in research and academic discussions, contributing to advancements in obstetrics and gynaecology. His participation in various medical conferences underscores his dedication to staying at the forefront of medical excellence and sharing knowledge with peers.

Fluent in English, Hindi, and Kannada, Dr. Mugadur effectively communicates with a diverse patient population, fostering a welcoming environment for all. His holistic approach to healthcare, combined with his extensive qualifications and experience, makes him a trusted partner in women's health for his patients.
