Overview

Dr. Champakamala C is a distinguished Surgical Gastroenterology Specialist at Apollo BGS Hospitals in Mysuru, Mysore, with 16 years of extensive experience in her field. She holds an M.Sc. in Nutrition, which enhances her comprehensive understanding of the interplay between nutrition and gastrointestinal health. Dr. Champakamala is proficient in a range of advanced surgical procedures, including laparoscopic surgeries, minimally invasive techniques, and complex gastrointestinal surgeries, ensuring optimal outcomes for her patients. Her commitment to patient-centered care is evident in her approach, where she prioritizes the individual needs and concerns of each patient. Dr. Champakamala is dedicated to innovative treatments and medical excellence, consistently staying abreast of the latest advancements in gastroenterology. She actively participates in research and academic discussions, contributing to the field through her involvement in various medical conferences and workshops. Fluent in both English and Kannada, Dr. Champakamala effectively communicates with a diverse patient population, ensuring that all patients feel understood and

supported throughout their treatment journey. Her dedication to high-quality healthcare and her compassionate approach make her a trusted choice for patients seeking specialized gastroenterological care.
