Overview

Dr. Kiran Kumar Shetty is a distinguished Neurosurgery Specialist at Apollo BGS Hospitals in Mysuru, Mysore, with eight years of dedicated experience in the field. He holds an MBBS, an MS in General Surgery, and a DNB in Urology, equipping him with a comprehensive understanding of complex neurological conditions and advanced surgical techniques. His expertise encompasses a range of procedures, including minimally invasive surgeries, neurotrauma management, and spinal surgeries, ensuring optimal outcomes for his patients.

Dr. Shetty is deeply committed to patient-centered care, prioritizing the individual needs and concerns of each patient. He believes in fostering a collaborative environment where patients are actively involved in their treatment plans. His innovative approach to neurosurgery is complemented by his active participation in research and academic discussions, where he contributes to the advancement of medical knowledge and practices. He frequently presents at medical conferences, sharing insights on the latest developments in neurosurgery.

Fluent in English, Hindi, and Kannada, Dr. Shetty effectively communicates with a diverse patient population, ensuring that language barriers do not hinder the delivery of high-quality healthcare. His dedication to medical excellence and compassionate care makes him a trusted choice for patients seeking neurosurgical expertise.
