Overview

Dr. Saurabh Garge is a distinguished Radiation Oncology Specialist at Apollo Hospitals Vijay Nagar, Indore, with over 12 years of dedicated experience in the field. He holds an MBBS and an MCh in Paediatric Surgery, equipping him with

advanced expertise in both adult and pediatric oncology. Dr. Garge is proficient in a range of radiation therapies, including intensity-modulated radiation therapy (IMRT) and stereotactic body radiation therapy (SBRT), ensuring that his patients receive the most effective and innovative treatments available.

A passionate advocate for patient-centered care, Dr. Garge prioritizes the individual needs of his patients, fostering an environment of trust and compassion. His commitment to medical excellence is evident through his active involvement in research and academic discussions, where he contributes to advancements in oncology. He regularly participates in national and international medical conferences, sharing insights and collaborating with peers to enhance treatment protocols and patient outcomes.

Fluent in both Hindi and English, Dr. Garge effectively communicates with a diverse patient population, ensuring that all individuals feel understood and supported throughout their treatment journey. His dedication to providing high-quality healthcare makes him a trusted choice for patients seeking comprehensive radiation oncology services.
