Overview

Dr. Abhay Bhagwat is a distinguished Psychiatry Specialist at Apollo Hospitals Vijay Nagar, Indore, with 14 years of extensive experience in the field. He holds an MBBS, MD (Med.), and DM (Neuro), equipping him with advanced expertise in diagnosing and treating a wide range of psychiatric disorders. Dr. Bhagwat is particularly proficient in cognitive behavioral therapy, psychopharmacology, and neuropsychiatry, ensuring that his patients receive comprehensive and effective care. A dedicated advocate for patient-centered care, Dr. Bhagwat emphasizes innovative treatment approaches tailored to individual needs. His commitment to medical excellence is evident through his active involvement in research, where he explores emerging trends in mental health, and his participation in academic discussions and medical conferences, sharing insights and advancements with peers. Fluent in both English and Hindi, Dr. Bhagwat effectively communicates with a diverse patient population, fostering a supportive and understanding environment. His compassionate approach and dedication to high-quality healthcare make him a trusted partner in his patients' mental

health journeys, ensuring they receive the best possible support and treatment.
