Overview

Dr. Yeshwanth R. is a skilled and compassionate Surgical Oncologist with extensive training and experience in cancer care. Currently serving as a Consultant Surgical Oncologist in the Department of Oncology at Apollo Hospitals, Bangalore, he brings over a decade of dedication to the field. Dr. Yeshwanth specialises in diagnosing and treating a wide range of cancers with precision, using evidence-based techniques and advanced surgical methods.

He holds an M.Ch. in Surgical Oncology from Kidwai Memorial Institute of Oncology, Bangalore and an M.S. in General Surgery from S.M.S. Medical College, Jaipur. His clinical interests are supported by robust academic contributions, including multiple research papers published in reputed medical journals. His work has been recognised with awards like the Best Poster Award at BREASTCON 2013.

Known for his patient-first approach, clear communication, and commitment to holistic cancer care, Dr. Yeshwanth continues to contribute to both patient well-being and medical education through teaching, research, and clinical excellence.
