MBBS, MS, DNB(OBGY), FMAS

+ Years experience

Hospitals

[Apollo Hospitals, Bilaspur](#)

Overview

Dr. Vijayalakshmi Shanbhag's career in Obstetrics and Gynecology reflects significant expertise and dedication to her field. With six years of experience, she has developed a solid foundation in diagnosing and treating various gynecological and obstetric conditions, as well as providing care throughout pregnancy, childbirth, and the postpartum period.

Her extensive involvement in paper presentations indicates her deep engagement with ongoing research and advancements in Obstetrics and Gynecology. These presentations in national and international journals suggest that Dr. Shanbhag contributes to the academic and scientific community, sharing insights on new findings, techniques, and approaches in her area of specialization.

Additionally, Dr. Shanbhag's participation as a delegate at various conferences speaks to her commitment to staying updated on the latest trends, innovation--s, and clinical practices in Obstetrics and Gynecology.

Additionally, her involvement in live laparoscopic surgical workshops is a significant aspect of her expertise. By participating in these workshops, Dr. Shanbhag has the opportunity to enhance her surgical skills while promoting the adoption of advanced,

less invasive techniques.
