

Dr. Shishir Jaiswal

MBBS, M.S (General Surgery), DrNB Peripheral Vascular Surgery
+ Years experience

Hospitals

[Apollo Hospitals, Bilaspur](#)

Overview

Dr. Shishir Jaiswal specializes in peripheral vascular surgery, with a focus on vascular repairs for trauma patients. He is skilled in patient assessment, conducting diagnostic tests, and performing both non-surgical and surgical procedures to treat a wide range of acute and chronic vascular conditions.

Dr. Jaiswal works closely with interdisciplinary teams to enhance patient care and improve outcomes.

He is Board Certified in Peripheral Vascular Surgery, making him the first surgeon in Chhattisgarh to achieve this prestigious certification.
