## Overview

**Dr. Shelly Sharma** is a seasoned **Radiology Specialist** at **Apollo Hospitals, Delhi**, with over 18 years of experience in **Diagnostic Imaging and Radiodiagnosis**. Holding a **DNB in Radiodiagnosis**, Dr. Sharma brings a deep expertise in advanced imaging techniques, playing a crucial role in accurate diagnosis and treatment planning across multiple specialties.

With a strong command over **MRI, CT, ultrasound, and interventional radiology**, Dr. Sharma is known for her precision, analytical acumen, and commitment to diagnostic excellence. She works closely with multidisciplinary teams, ensuring timely and detailed imaging assessments that guide critical medical decisions.

Fluent in **English and Hindi**, Dr. Sharma ensures clear communication and a reassuring patient experience. She is especially skilled at interpreting complex scans and providing actionable insights that enhance patient outcomes in areas such as oncology, neurology, orthopaedics, and abdominal imaging.

Beyond clinical radiology, Dr. Sharma is actively involved in training programs, quality assurance initiatives, and continuous professional development. She remains updated on global advancements in radiologic technologies, contributing to the hospital's commitment to cutting-edge, evidence-based care.

Located at **Apollo Hospitals, Sarita Vihar, Delhi Mathura Road**, **Dr. Shelly Sharma** is a vital pillar of the diagnostic services team, known for her clinical accuracy, compassionate approach, and unwavering dedication to improving patient care through imaging excellence.
