Overview

Dr. Daria Singh is a highly experienced specialist in **Orthopaedics & Joint Replacement Surgery**, with over **20 years** of dedicated clinical practice. Based at **Apollo Hospitals, Ahmedabad**, he holds an **MBBS**, an **MS in Orthopaedics**, and an **MBA in Healthcare and Hospital Management (HHSM)**—a unique blend that reinforces both his medical expertise and patient care leadership.

Dr. Singh is fluent in **English, Hindi, and Gujarati**, enabling effective communication with patients from diverse backgrounds. His core specialty lies in **joint replacement surgeries**, with advanced skills in:

- **Knee Replacement** – Partial, Total, and Revision (Single and Two-Staged)
- **Hip Replacement** – Partial, Total, and Revision (Single and Two-Staged)
- **Shoulder Replacement** – Partial, Total, and Reverse
- **Total Ankle and Elbow Replacement**
- **Radial Head Replacement**

In addition to joint replacement, Dr. Singh is proficient in **deformity correction surgeries, minimally invasive arthroscopic procedures**, and the **management of complex trauma and fractures**. His approach integrates the latest surgical innovations with patient-centric care, ensuring optimal recovery and long-term joint function.

Committed to restoring mobility and enhancing quality of life, **Dr. Daria Singh** is a trusted name in the field of **Orthopaedics & Joint Replacement Surgery**, offering comprehensive care tailored to each patient's individual needs.
