## Overview

**Dr. Mohammad Sharfraz Ahamed** is a dedicated **Endocrinology & Diabetes Care Specialist** at **Apollo Specialty Hospitals, Nellore**, with over **six years of focused experience** in managing a wide range of hormonal and metabolic disorders. He holds a **DM in Endocrinology** from **SKIMS, Srinagar (J&K)**, equipping him with advanced clinical training in the diagnosis and treatment of endocrine conditions.

Dr. Ahamed specializes in the management of **diabetes mellitus, thyroid disorders, adrenal and pituitary diseases, reproductive hormone imbalances**, and **metabolic bone diseases** such as osteoporosis. His clinical approach emphasizes patient-centered care, where treatment is tailored to each individual's needs and supported by evidence-based practices.

He is fluent in **English, Hindi, and Telugu**, enabling him to build strong rapport and communicate effectively with patients from diverse backgrounds.

In addition to his clinical practice, Dr. Ahamed actively engages in continuing medical education and regularly participates in conferences and academic discussions to stay abreast of the latest advancements in endocrinology. His commitment to compassionate care and clinical excellence ensures that his patients receive the highest standard of treatment for their endocrine and metabolic health.
