Overview

Dr. Ajay Chanakya is a distinguished Surgical Oncologist based in Hyderabad, Telangana, with an impressive 8 years of experience in the field of surgical oncology. He has undergone extensive training and holds multiple qualifications including MBBS, MS in General Surgery, MCh in Surgical Oncology, and a Fellowship in Robotic Surgery. Dr. Chanakya's commitment to advancing his expertise is evidenced by his specialized training in Intuitive Robotic Surgery at Apollo Main Hospital in Chennai, under the guidance of renowned surgeon Dr. Venkatesh Munnikrishnan.

In addition to his surgical qualifications, Dr. Chanakya has earned certifications in advanced treatments for peritoneal surface malignancies, including HIPEC (Hyperthermic Intraperitoneal Chemotherapy) by the European Society of Surgical Oncology, and PIPAC (Pressurized Intraperitoneal Aerosol Chemotherapy) from the International Society of Peritoneum and Pleura at Manipal Hospital in Bengaluru. His ability to communicate in English, Hindi, and Telugu allows him to connect with a diverse patient population, providing them with the comfort and understanding needed

during their treatment journey.

Dr. Chanakya is dedicated to utilizing the latest technologies and surgical techniques to enhance patient outcomes. He is particularly skilled in robotic surgery, which offers advanced precision and minimally invasive options for patients. As a part of the Apollo Group, he is committed to providing high-quality care and remaining abreast of the latest advancements in oncology. His patient-centered approach, combined with a wealth of knowledge and expertise, makes him a valuable asset to the medical community and his patients alike.
