Overview

Dr. Ajay Gupta is a distinguished Medical Oncologist with over 15 years of dedicated experience in the field of oncology. Based in South Delhi, he has built a reputation for excellence in patient care and innovation in cancer treatment. He holds an impressive academic background, having earned his MBBS from MAMC, followed by an MD in Medicine and a DM in Medical Oncology from the prestigious All India Institute of Medical Sciences (AIIMS). Additionally, Dr. Gupta has international accolades including a Fellowship in Leukemia and Bone Marrow Transplant from the University of British Columbia in Vancouver and specialized training in Pediatric Bone Marrow Transplantation at the Children's Hospital in Los Angeles.

Throughout his career, Dr. Gupta has contributed significantly to the medical community and has served as a Senior Resident in Medicine at AIIMS Delhi, as well as in Cardiology at the Escorts Heart Institute. His commitment to advancing oncological therapies is further highlighted by his qualifications, which also include FRACP from Australia and CCST from the UK.

Fluent in both English and Hindi, Dr. Gupta is not only a skilled practitioner but also a compassionate caregiver, ensuring that his patients feel supported and informed throughout their treatment journey. His contributions to medical oncology have not gone unnoticed, as he is a recipient of various awards, recognizing his dedication to combating hematological malignancies and enhancing patient outcomes.

As an exclusive partner in practice, Dr. Ajay Gupta emphasizes a patient-centric approach, tailoring treatment plans to meet the unique needs of each individual. His commitment to providing cutting-edge oncology care makes him a trusted choice for patients seeking expert medical guidance in South Delhi.
