Overview

Dr. Adesh Shetty is a distinguished Gastroenterology/GI Medicine Specialist based in Bangalore, Karnataka. With a robust experience of 15 years, Dr. Shetty has developed a reputation for his expertise in managing a wide array of gastrointestinal disorders. He holds an impressive educational qualification, including an MBBS, an MD, and a DrNB in Gastroenterology, which equips him with the advanced knowledge and skills necessary to provide high-quality care to his patients.

Dr. Shetty's clinical practice is characterized by a patient-centric approach, where he prioritizes understanding the unique needs of each individual while diagnosing and treating their conditions. His ability to communicate effectively in multiple languages including English, Hindi, Kannada, and Telugu allows him to connect with a diverse patient demographic, ensuring that language barriers do not hinder the quality of care.

At Apollo, where he practices, Dr. Shetty is dedicated to staying updated with the latest advancements in gastroenterology, which reflects his commitment to continuous professional

development and enhancing patient outcomes. He is well-versed in various diagnostic and therapeutic procedures related to the gastrointestinal system. His empathetic demeanor and dedication to patient education help his patients make informed decisions regarding their health. Patients seeking expert care in gastroenterology will find Dr. Adesh Shetty not only to be highly qualified but also compassionate and approachable. With his expertise, patients can expect a thorough evaluation and effective treatment plans tailored to their specific health needs.
