Overview

Dr. Akhilesh Agrawal is a seasoned Dermatologist with over 19 years of experience in the field, currently practicing in Bhopal, Madhya Pradesh. He is a dedicated healthcare professional, recognized for his expertise in both medical and surgical dermatology. Dr. Agrawal has earned an impressive array of qualifications, holding an MBBS degree along with a DDVL (DNB) in Dermatology & Venereology. His commitment to continuous education is reflected in additional accolades such as FAGE, MIADV, and MIMA. This strong academic background enables him to offer patients comprehensive care tailored to their unique dermatological needs.

Fluent in both English and Hindi, Dr. Agrawal ensures effective communication with a diverse patient population, making them feel comfortable and understood. His practice at Apollo Hospitals integrates advanced treatment protocols with patient-centered care, focusing not only on treating skin conditions but also on educating patients about skin health and prevention.

Visiting Dr. Agrawal means engaging with a practitioner who is not only knowledgeable but is also empathetic and committed to the well-being of his patients. He thrives on building long-term relationships with individuals undergoing various dermatological treatments, ranging from acne and eczema to skin cancers. Dr. Akhilesh Agrawal is your go-to specialist for all dermatological concerns, ready to provide expert advice and care in a supportive environment.
