Overview

Dr. Akila Mani is a highly experienced General Physician and Internal Medicine Specialist based in Tiruvallur, Tamil Nadu, with two decades of comprehensive medical practice. A graduate of The Tamilnadu Dr. MGR Medical University, Chennai, Dr. Akila received her MBBS degree in 2001. She further distinguished herself by becoming a Member of the Royal College of Physicians (MRCP) in London in June 2011, after successfully passing her final exams. Her MRCP training was completed at The Royal Liverpool University Hospital, where she gained invaluable expertise across a spectrum of medical conditions.

Her specializations encompass chronic illness management with a focus on diabetes and endocrinology, which is evidenced by her advanced training in the utilization of oral and injectable insulin treatments. Dr. Akila is particularly adept at employing Insulin Pumps for patients with uncontrolled diabetes. Throughout her career, she has managed a wide array of endocrine disorders, including those affecting the thyroid and pituitary glands, and has also gained experience in

diagnosing and managing common complications associated with diabetes during her time at specialized clinics, such as the eye, foot, and renal clinics.

Dr. Akila further broadened her practice in Family Medicine, having passed the Member of the Royal College of General Practitioners (MRCGP) exam in March 2012. Her clinical expertise includes screening for diabetes, managing its complications—ranging from hypoglycaemia to diabetic ketoacidosis and addressing issues like autonomic dysfunction and peripheral neuropathy. Proficient in both English and Tamil, Dr. Akila Mani continues to contribute to her community's health with dedication and a patient-centered approach.
