Overview

Dr. Ambarish Chatterjee is a distinguished Surgical Oncology Specialist at Apollo Hospitals Nashik, bringing over 10 years of dedicated experience in the field. He holds an M.B.B.S, M.S in General Surgery, and an M.Ch in Surgical Oncology, complemented by D.N.B. qualifications in both General Surgery and Surgical Oncology. This extensive educational background equips him with advanced expertise in managing complex oncological cases.

Dr. Chatterjee is proficient in a range of surgical procedures, including minimally invasive techniques, tumor resections, and reconstructive surgeries. His commitment to innovative treatments is evident in his active involvement in research and academic discussions, where he contributes to the advancement of surgical oncology practices. He regularly participates in medical conferences, sharing insights and staying abreast of the latest developments in the field.

Dedicated to patient-centered care, Dr. Chatterjee prioritizes the well-being of his patients, ensuring they receive personalized treatment plans tailored to their unique needs. His compassionate

approach, combined with a focus on medical excellence, fosters a supportive environment for patients and their families. Fluent in English, he effectively communicates with a diverse patient population, making him a trusted partner in their healthcare journey.

Experience

Experience and Specialization: Dr. Ambarish Chatterjee is a Consultant Surgical Oncologist working at Nashik, Maharashtra. He has obtained his M.B.B.S. degree from Government Medical College Miraj, Maharashtra; M.S. General Surgery degree from Government Medical College Coimbatore, Tamil Nadu; and his M.Ch. Surgical Oncology degree from Tata Memorial Hospital, Mumbai by securing 1st rank in India in the entrance examination. His area of expertise is in Gastro-intestinal oncology, Gynecological oncology, Peritoneal Surface Malignancy (Cytoreductive Surgery +/- HIPEC, PIPAC, EPIC), Hepato-Pancreatico-Biliary oncology, Retroperitoneal tumors, and thoracic cancers, apart from routine head, neck and breast cancers surgeries. He is proficient in performing minimally invasive (Laparoscopic and Robotic) and complex open multi-visceral surgical resections. He has an overall experience of 9 ½ years in Surgical Oncology.

Membership

Memberships: • ASI: Association of Surgeons of India • IASO: Indian Association of Surgical Oncology • INDEPSO: Indian Network for Development of Peritoneal Surface Oncology

Research and Publication

Research Publications & Presentations: He has more than 20 publications in international peer reviewed journals. He has presented more than 20 papers, posters, and videos across the globe. He has been a faculty in more than 10 national and international conferences. He is an awardee of the prestigious scholarship from Federation of Applied Research in Gastrointestinal Oncology Italy (FARGO). He has been a faculty for 'Certificate course in Entero-Stomal Therapy'. He has been instrumental in establishing three notable databases at Tata Memorial Hospital, Mumbai (Anorectal Melanoma, Cytoreductive Surgery +/- HIPEC, Intra-peritoneal port in advanced colorectal cancers). He is an office bearer of the INDEPSO and has played a vital role in forming the treatment guidelines for management of peritoneal mesothelioma and anorectal melanoma in India.
