Overview

Dr. Ameet Kishore is a highly experienced ENT Specialist based in South Delhi, Delhi, with over 25 years of dedicated practice in the field of Ear, Nose, and Throat medicine. He holds an MBBS degree as well as a Fellowship in Otorhinolaryngology (FRCS-ORL), which attests to his extensive training and expertise. Dr. Kishore's commitment to patient care and his proficiency in diagnosing and treating a wide range of ENT conditions make him a trusted choice for patients seeking specialized medical attention. He is fluent in both English and Hindi, allowing him to communicate effectively with a diverse patient population. Known for his compassionate approach and meticulous attention to detail, Dr. Kishore strives to provide personalized treatment plans tailored to the unique needs of each individual. Although he is an exclusive partner, his reputation and results speak for themselves, with many satisfied patients attributing their improved health to his expert care. Whether dealing with chronic sinus issues, hearing problems, or other ENT-related concerns, patients can be assured they are receiving top-tier medical advice and treatment from Dr. Ameet Kishore.

Experience

Experienced in all aspects of ear, nose, throat and head-neck. Special areas of interest are diseases of the ear (deafness, dizziness), Cochlear Implants, nose and sinuses.

Experience at Royal Hospital for Sick Children, Glasgow (UK) has provided skills in paediatric ENT. Has expertise in microscopic ear surgery, endoscopic sinus surgery, micro-laryngeal surgery, lasers and radiofrequency, cochlear implants and implantable hearing aids (BAHA & Vibrant Soundbridge).
