Overview

Dr. Amit Langote is a distinguished Nephrologist with over 17 years of extensive experience in the field of kidney health and renal care. Based in Mumbai, Maharashtra, Dr. Langote is well-regarded for his dedication to patient care and his expertise in managing complex nephrological conditions. He holds multiple qualifications, including an MD in Internal Medicine and a DNB in Nephrology. Additionally, he is a certified Transplant Physician and a Hypertension Specialist, further enhancing his proficiency in treating various kidney disorders.

Dr. Langote's commitment to excellence has been recognized with the prestigious ANGEL PIN award for patient care, received during his time in Ottawa, Canada, reflecting his passion for improving patient outcomes. Multilingual, he is fluent in English, Hindi, and Marathi, which allows him to communicate effectively with a diverse patient population.

As an advocate for advanced renal therapies, Dr. Langote also specializes in home dialysis and is an active member of the American Society of Transplantation (AST). His approach combines clinical expertise with comprehensive patient education to ensure that individuals suffering from kidney diseases understand their treatment options and participate actively in their care.

Dr. Amit Langote is associated with Apollo Hospitals, a leading healthcare institution, where he continually strives to provide holistic nephrology services, focusing on both prevention and innovative treatments for kidney-related ailments. He is not just a physician but a compassionate partner in his patients' health journeys.
