Overview

Dr. Anand Kumar is a highly experienced Paediatric Ophthalmologist based in Mumbai, Maharashtra, with over 13 years of dedicated service in the field of ophthalmology. He specializes in treating eye conditions in children, focusing on both preventive and therapeutic approaches to ensure optimal eye health. Dr. Kumar holds a Master's degree (MS) in Ophthalmology and a Diplomate of National Board (DNB) in Ophthalmology, which showcases his comprehensive knowledge and expertise in his specialty.

In recognition of his skills and commitment to paediatric ophthalmology, Dr. Kumar was awarded the prestigious International Council of Ophthalmologists (ICO) fellowship in Paediatric Ophthalmology and Adult Strabismus. This accolade was bestowed during his time at the University of Wisconsin, Madison, U.S.A., from 2010 to 2011, further enhancing his credentials in the field.

Dr. Kumar is committed to providing the highest standard of care and is fluent in English, ensuring effective communication with his patients and their families. He employs the latest techniques and

equipment to diagnose and manage various ocular conditions, ensuring that children receive personalized and effective treatment plans. His compassionate approach and dedication make him a trusted choice for parents seeking specialized eye care for their children. With a focus on improving vision and eye health, Dr. Anand Kumar continues to make significant contributions to paediatric ophthalmology in Mumbai, empowering young patients to lead a life with healthy vision.
