Overview

Dr. Anand Alladi is a highly skilled Paediatric Surgeon with 24 years of extensive experience in the field. Based in Bangalore, Karnataka, he specializes in providing exceptional surgical care to children, dealing with a wide range of congenital and acquired conditions. Dr. Alladi holds impressive qualifications, including a Master of Science (MS) and a Master of Chirurgical (MCh) in Pediatric Surgery, complemented by a Fellowship of the Indian Association of Pediatric Surgeons (FIAPS). His proficiency in multiple languages—English, Hindi, and Kannada—enables him to communicate effectively with a diverse patient demographic, ensuring that families feel comfortable and informed throughout their child's treatment process. As a dedicated member of Apollo Hospital, Dr. Alladi is committed to utilizing the latest surgical techniques and technologies to provide the best possible outcomes for his patients. His approach combines compassion with expertise, making him a trusted professional in the field of pediatric healthcare. With a focus on patient-centered care, Dr. Alladi not only addresses the physical ailments of his young patients but also provides support and guidance to

their families, understanding the emotional challenges often associated with pediatric surgery.
