Overview

Dr. Anil Gupta is a distinguished Paediatrics and Neonatology Specialist at Apollomedics Super Specialty Hospitals in Lucknow, bringing over 14 years of dedicated experience to his practice. He holds an MD in Paediatrics and a Fellowship in Neonatal Intensive Care (FNB), equipping him with advanced expertise in managing complex neonatal conditions and pediatric emergencies.

Dr. Gupta is proficient in a range of specialized procedures, including advanced neonatal resuscitation, management of preterm infants, and treatment of congenital disorders. His commitment to patient-centered care is evident in his approach, where he prioritizes the unique needs of each child and their family, ensuring a compassionate and supportive environment. In addition to his clinical practice, Dr. Gupta is actively involved in research and academic discussions, contributing to advancements in pediatric care. He regularly participates in medical conferences, sharing insights on innovative treatments and best practices in neonatology. Fluent in both English and Hindi, he effectively communicates with a diverse patient population, fostering trust

and understanding.

With a steadfast dedication to medical excellence, Dr. Anil Gupta continues to make significant contributions to the field of pediatrics, striving to provide the highest quality of healthcare to his young patients.
