Overview

Dr. Anil Pande is a distinguished neurosurgeon with over 25 years of experience in the field, practicing in the vibrant city of Chennai, Tamil Nadu. He is well-respected in his specialty, prominently serving as an Adjunct Professor of Neurosurgery at Apollo AHERF, where he contributes to both education and the advancement of neurosurgical practices. Dr. Pande holds a robust educational background, having earned his MBBS, DNB (NeuroSurg), and MNAMS qualifications, which equip him with a profound understanding of complex neurosurgical procedures. His proficiency in multiple languages, including English, Hindi, Tamil, Telugu, and Bengali, allows him to communicate effectively with a diverse range of patients, ensuring they feel understood and cared for. Dr. Pande's commitment to patient care and excellence in neurosurgery not only makes him a sought-after specialist in his field but also a trusted healthcare partner for those seeking neurological treatment. Patients can expect to receive comprehensive evaluations, innovative surgical solutions, and compassionate support throughout their journey. Whether it's managing intricate brain surgeries

or addressing spine-related issues, Dr. Anil Pande is dedicated to providing the highest standard of neurosurgical care.
