Overview

Dr. (Prof) Atul Taneja is a distinguished dermatologist based in Kolkata, West Bengal, with an impressive 30 years of experience in the field. He is recognized as one of the leading experts in dermatology, holding three complete and genuine clinical super-specializations in India. His extensive educational background includes an MD in Dermatology from AIIMS, New Delhi, and further super-specializations in Skin Oncology from the Boston Medical Center and New England Medical Center in the USA. Additionally, he has excelled in Photomedicine and Laser Surgery, having undertaken training at the prestigious Massachusetts General Hospital and Harvard Medical School.

Dr. Taneja's unique approach to dermatological treatments, particularly in the use of lasers and phototherapy machines, has gained international acclaim. His innovative techniques are frequently sought after, setting a benchmark in dermatological care both in India and abroad. He is committed to advancing the field through his clinical practice and sharing insights gained from his extensive

training and global experiences.

Fluent in English, Bengali, and Hindi, Dr. Taneja is dedicated to providing personalized care to his patients, ensuring clear communication and understanding in every consultation. His accolades reflect his commitment to excellence in dermatological services, making him a sought-after specialist for individuals looking for expert care. As an exclusive partner in dermatology, Dr. Atul Taneja takes pride in delivering exceptional and compassionate care tailored to the unique needs of each patient.
