## **Overview**

Dr. Ayushman Satapathy is a highly skilled neurosurgeon with over 12 years of extensive experience in the field. Based in Sundargarh, Odisha, he specializes in performing complex neurosurgical procedures, including those related to brain and spinal cord disorders. With a comprehensive educational background, Dr. Satapathy holds a Master of Surgery (MS) in General Surgery and a Fellowship in Neurosurgery, in addition to his M.Ch in Neurosurgery. This formidable academic foundation equips him with the necessary skills to provide the highest standard of care to his patients.

Fluent in multiple languages—English, Hindi, Odia, and Bengali—Dr. Satapathy ensures effective communication with his diverse patient base, making him approachable and nurturing in his patient interactions. His commitment to advancing his knowledge and craftsmanship in neurosurgery is evidenced by his participation in specialized fellowships, including his training in skull base surgery, which is essential for addressing intricate surgical challenges.

As an esteemed member of the Apollo network, Dr. Ayushman Satapathy is dedicated to employing the latest technologies and techniques in neurosurgery to improve patient outcomes. His practice is characterized by a holistic approach—considering not just the surgical aspects but also the overall well-being and recovery of his patients. Dr. Satapathy's passion for his work, coupled with his surgical expertise, makes him a trusted choice for those seeking neurosurgical care in the region.
