Overview

Dr. Biswajit Nanda is a highly respected urologist based in Bhubaneswar, Odisha, with over 16 years of extensive experience in the field of urology, andrology, and kidney transplant surgery. Known for his dedication to patient care and innovative techniques, he has been recognized multiple times for his contributions to the medical community, including being awarded the title of best urologist by the Times of India on two occasions. Dr. Nanda is renowned for his commitment to advancing urological care in his region; he pioneered the establishment of the first specialized andrology clinic in Bhubaneswar and introduced green light laser surgery for prostate enlargement. His expertise extends to performing regular laser procedures for prostate issues and urinary stones, consistently achieving remarkable outcomes for his patients. With a particular focus on urological cancers, Dr. Nanda takes pride in his ability to provide effective treatments that result in countless satisfied patients. He holds an impressive educational background, including an MBBS and an MS in General Surgery from New Delhi, along with a DNB in Urology. Dr. Nanda is fluent in several languages,

including English, Hindi, Oriya, Bengali, Odia, Bhojpuri, Punjabi, and Sanskrit, allowing him to connect with a diverse range of patients. As a dedicated consultant in Urology, Kidney Transplant, and Male Sexual Health, Dr. Biswajit Nanda continues to be a prominent figure in his field, committed to enhancing the quality of life for his patients through expert care and cutting-edge technologies.
