## Overview

Dr. Deepashri Tatar is a highly experienced Paediatrician based in Nashik, Maharashtra, with two decades of dedicated practice in the field of child healthcare. Her extensive experience makes her a trusted expert for parents seeking exceptional medical care for their children. Dr. Tatar earned her MBBS and DCH qualifications, equipping her with a robust foundation in both general and specialized paediatric medicine. She is proficient in multiple languages, including English, Hindi, and Marathi, allowing her to communicate effectively with a diverse patient population. As a female doctor, Dr. Tatar brings a compassionate and understanding approach to her practice, ensuring that children and their families feel comfortable and secure during their visits. Her commitment to excellence in patient care is further exemplified by her association with Apollo, a recognized healthcare institution known for its high standards. Whether addressing routine check-ups, vaccinations, or specific health concerns, Dr. Tatar emphasizes a holistic approach to child health, focusing on preventive care and education for families. Parents in Nashik looking for a paediatrician who combines medical expertise with a nurturing attitude will find Dr. Deepashri Tatar to be an exemplary choice.
