## Overview

Dr. Deven Gosavi is a highly experienced Gastroenterology/GI Medicine Specialist based in Mumbai, Maharashtra. With over 6 years of clinical expertise, Dr. Gosavi has dedicated his career to the management of gastrointestinal and hepatological diseases. He holds a medical degree (MBBS), followed by a Master's in Medicine (MD) and a super-specialization in Gastroenterology (DM), which provides him with a robust foundation in both general and specialized care.

Dr. Gosavi's clinical interests include liver diseases, pancreatitis, and functional bowel disorders, where he employs a patient-centered approach, ensuring comprehensive treatment plans tailored to individual needs. His extensive training was undertaken at prestigious centers in South and Western India, equipping him with the skills to handle a diverse range of gastrointestinal conditions effectively. In addition to his clinical work, Dr. Gosavi is an avid researcher, having authored several articles in esteemed journals, focusing on emerging issues like nonalcoholic fatty liver disease and hepatopulmonary syndrome. His contributions to medical knowledge have been recognized through

presentations at various national and international conferences, where he discusses significant findings and advancements in gastroenterology.

Fluent in multiple languages including English, Hindi, Tamil, Kannada, and Marathi, Dr. Gosavi is well-equipped to communicate with a wide array of patients. His commitment to continuous learning and excellence in patient care makes him an asset to his field and the community he serves. Whether you seek advice on a complex medical condition or routine gastrointestinal health, Dr. Deven Gosavi is dedicated to providing quality care with compassion and professionalism.
