Overview

Dr. Deepika Ughade is a dedicated Pulmonology Respiratory Medicine Specialist based in Mumbai, Maharashtra, with over 8 years of extensive experience in the field. As a female physician, Dr. Ughade is known for her compassionate approach and commitment to patient care. She holds an MBBS degree along with a DNB in Respiratory Medicine, equipping her with a solid foundation in diagnosing and treating various respiratory conditions.

In addition to her medical qualifications, Dr. Ughade enhanced her expertise by completing a specialized course in Allergy and Immunotherapy from Bangalore in 2018, which further broadens her ability to manage complex cases. Her proficiency in multiple languages, including English, Hindi, and Marathi, ensures effective communication with a diverse patient population, fostering a supportive environment for all.

At Apollo Hospitals, Dr. Deepika Ughade is recognized not only for her clinical skills but also for her ability to stay updated with the latest advancements in pulmonology. She employs a patient-centered approach, ensuring that each individual receives tailored treatment plans that best suit their health needs. Her practice is characterized by a focus on both preventative measures and innovative therapeutic strategies, making her a trusted choice for individuals seeking comprehensive respiratory care. With her expertise, dedication, and a warm demeanor, Dr. Ughade continues to improve the lives of her patients, making significant contributions to the field of respiratory medicine.
