Overview

Dr. Elbert Khiangte is a highly experienced General and Laparoscopic Surgeon based in Guwahati, Assam. With over 20 years of dedicated practice in the field, he has developed a reputation for excellence and precision in surgical procedures. Dr. Khiangte specializes in both general surgery and advanced laparoscopic techniques, making him adept at handling a wide range of surgical conditions effectively.

Having earned his Master of Surgery (MS) qualification, Dr. Khiangte brings a wealth of knowledge and expertise to his patients. He is committed to providing comprehensive surgical care, from initial consultation to post-operative recovery, ensuring that each patient receives personalized attention throughout their treatment journey. His focus on minimally invasive surgery not only enhances patient recovery times but also significantly reduces the risks associated with traditional surgical methods.

Fluent in English, Dr. Khiangte is able to communicate complex medical concepts with ease, ensuring that his patients feel informed and comfortable at every stage. He is dedicated to fostering a supportive environment for his patients, understanding their concerns, and addressing them with empathy and professionalism. Dr. Khiangte remains up-to-date with the latest advancements in surgical techniques, continually enhancing his skills and knowledge to provide the best possible outcomes for his patients.

Through his vast experience, Dr. Elbert Khiangte has positively impacted the lives of many individuals in the Guwahati region, making him a trusted choice for those seeking high-quality surgical care. Whether you require routine surgical intervention or specialized laparoscopic procedures, Dr. Khiangte is committed to delivering exceptional results and improving the health and well-being of his patients.
