## **Overview**

Dr. Girish G is a highly experienced Neonatologist with over 21 years of dedicated practice in the field of Pediatrics. Based in Mysore, Karnataka, Dr. Girish combines his extensive medical knowledge and expertise to provide exceptional care to newborns, often dealing with critical conditions requiring specialized attention. He holds an impressive educational background with qualifications including MBBS, MD in Pediatrics, and a DM in Neonatology, which equips him with a profound understanding of neonatal health. Dr. Girish is not only skilled in clinical practice but also communicates effectively with his patients and their families in multiple languages, including English, Hindi, and Kannada, ensuring that language barriers do not hinder patient care. As a member of the Apollo team, he is committed to delivering the highest standards of healthcare, utilizing advanced medical technologies and methods to improve the outcomes for infants in his care. His practice emphasizes the importance of early detection and intervention in neonatal care, working closely with families to ensure the best start in life for their children. Dr. Girish G is widely respected by his peers and is recognized for his dedication to the health and well-being of neonates. Whether faced with routine check-ups or more complex neonatal issues, patients can trust Dr. Girish to provide compassionate, expert care.
